Social media app video editors

Personal

I am a Computer Science student passionate about content creation and technology. I specialize in photo and video editing and basic animations, and actively help other creators bring their ideas to life. The world of content creation fascinates me, from storytelling to engagement strategies, and I enjoy exploring new ways to connect with audiences. With a strong tech background and creative mindset, I'm eager to contribute my skills to innovative projects.

Professional Experience

Dec 2019 - Present

**Content Strategist
@Analyser News**

Plan and oversee the content creation process and define the content style.

Develop strategies to enhance engagement and audience reach.
